Sir:

Applicants are submitting herewith the executed supplemental Joint Declaration for Patent Application and Power of Attorney ("Supplemental Declaration") for filing in the above-identified patent application. The Supplemental Declaration indicates the second named inventor, Thomas Janzen's correct citizenship as being German, instead of Danish as indicated on the first Declaration filed February 1, 2001. Accordingly, it is respectfully requested that records of the U.S. Patent and Trademark office are amended to reflect the correct citizenship information.

Applicants already paid the filing fee of \$130.00 at the time of filing of the first executed Declaration. Accordingly, no additional fees for filing the Declaration are attached.

In the event any variance exists between the amount enclosed and the PTO charges, please charge or credit any difference to Deposit Account No. 50-0206.

Respectfully submitted,
